

## Behaviour Policy

### 5 behavioural steps:

1. Remind the pupil of the 3 simple rule  
Keep our hands to ourselves.  
Show respect to others.  
Listen carefully and follow instructions.
2. Warning - Verbal feedback on behaviour. "Think about your next step"
3. Last Chance - Talk with the pupil e.g. "I have noticed that you find it difficult to follow the rule. You have ignored the rule, so you need 2 minutes time out to think."
4. Time Out - A Chance to calm down in a quiet area
5. Discussion or complete the form. - How can we improve the situation? Think about my behaviour form.  
*What happened?*  
*Which rule were broken?*  
*What's my side of the story?*  
*How can we sort out the situation?*
6. If the behaviour continues, keep record and contact the parents.
